

FOR IMMEDIATE RELEASE:

Date: February 16, 2021

From: Geauga County Board of Commissioners

Re: Geauga County Board of Mental Health and Recovery Services

The Geauga County Board of Commissioners are currently accepting applications for the Geauga County Board of Mental Health and Recovery Services to fill an unexpired vacant position with a term ending June 30, 2022. Anyone interested in serving can submit an application and resume to the Geauga County Board of Commissioners, 470 Center St. Building #4 Chardon, OH 44024. Applications for this position are available online at the Geauga County Website:

www.co.geauga.oh.us/Departments/Commissioners/Board-Appointments

The Geauga County Board of Mental Health and Recovery Services is responsible for the management of funds and the administration of public mental health, alcohol and drug addiction services in Geauga County. The Board is responsible to develop, promote and monitor services, facilities and programs responsive to the behavioral health care needs of the citizens of Geauga County while ensuring fiscally responsible management of resources. Board members cannot be affiliated as a member or employee of any provider of services and may not be related to an individual who serves as a Board member or employee of any provider of services that the agency has contracted.

The Board position is unpaid and will be for the current unexpired term. Applications and Resumes will be accepted through March 2021. Please contact the Board of County Commissioners office at 440-279-1660 with any questions.
