

Director Position/Geauga-Trumbull Solid Waste Management District

The Geauga-Trumbull Solid Waste Management District ("District") is now accepting resumes for the position of Director. The successful candidate will have achieved a bachelor degree in business, management or a related discipline and/or 7+ years of experience in the solid waste industry or supervisory experience. The individual must be committed to forging a cohesive and collaborative work environment, as well as have a strong communication skill set. Knowledge of the solid waste or environmental industries preferred but not required. A job offer is contingent on the successful applicant passing a drug screen and a criminal background investigation.

The Director is responsible for the management of six employees, and the resources, operations and programs of the District; the development and management of annual budgets; the overall performance of the District; assuring the District's compliance with regulatory requirements; and maintaining positive relationships with federal, state, and local governmental officials, boards, agencies and residents of Geauga and Trumbull Counties.

The Director's salary is \$65,000 up to \$75,000 depending on experience. The Director reports to the District's Board of Directors.

Please submit resumes and cover letter explaining your interest in the position to the District, c/o Lisa Rae Smith, Geauga-Trumbull Solid Waste District, 5138 Enterprise Blvd., Warren, Ohio 44481.

RESUME AND COVER LETTER MUST BE RECEIVED BY 4:30 PM, MAY 31, 2019.
The District is an Equal Opportunity Employer – Drug-free Workplace.
