INTRODUCTION

The conduct and operations in the Geauga County Juvenile Court are governed by (1) Applicable Law including (i) the Rules of Superintendence for the Courts of Ohio, (ii) the Ohio Rules of Civil Procedure, and (iii) the Ohio Rules of Juvenile Procedure, and (2) these local rules adopted by the Geauga County Juvenile Court, to the extent that these local rules do not conflict with applicable law. THE COURT RECOMMENDS THAT PERSONS WHO REPRESENT THEMSELVES SEEK ASSISTANCE FROM THE COURT'S HELP CENTER. HOWEVER, THE HELP CENTER IS NOT A SUBSTITUTE FOR LEGAL COUNSEL. THE HELP CENTER CAN ONLY PROVIDE INFORMATION AND ACCESS TO FORMS BUT CANNOT PROVIDE LEGAL ADVICE OR LEGAL REPRESENTATION.

Geauga Juvenile Local Rule 2. Adoption of Geauga County Juvenile Court Local Rules.

- A. Adoption. Under the authority of R.C. §2151.17 and Sup. R. 5(A), the Court adopts these GJL Rules as the local rules of practice for the Court. These GJL Rules supplement Applicable Law pertaining to juvenile proceedings. To the extent that these GJL Rules are found to conflict with Applicable Law, Applicable Law governs.
- B. Effective Date. These GJL Rules are effective June 15, 2021 and apply to all proceedings on and after that date, regardless of whether the case is pending, reopened, or newly filed.
- C. Deviation from Geauga County Juvenile Court Local Rules. As the result of any natural disaster, public unrest, public health issue, or other catastrophic event that has a material adverse effect upon the Court’s conduct of its business, by court order published on the Court’s website the Court may deviate from, or conduct the Court’s business in a manner that is contrary to, any one or more of these GJL Rules without the need for amending these rules, until such time as the Court determines, by subsequent court order, that it can resume its business in accordance with these GJL Rules. Moreover, the Court may modify or waive the application of any of these GJL Rules for a particular case, with or without a written entry. Modification or waiver in one circumstance does not create a precedent that the Court will grant a modification or waiver in similar or different circumstances. To the extent that a court order conflicts with a GJL Rule, that court order prevails.

Geauga Juvenile Local Rule 3. Term of Court. The term of the Court is one calendar year. All actions and other business pending at the expiration of any term of court are automatically continued without further court order. The Court may hold hearings at such places throughout the county as the Judge determines, from time to time.

Geauga Juvenile Local Rule 4. Court Hours. Unless otherwise determined by the Court with respect to a Saturday, the Court is open every Court Day from 8:00 a.m. through 4:30 p.m., except for a Saturday as determined by the Court, in which case the Court will determine the court hours.

Geauga Juvenile Local Rule 5. Costs and Fees.

- A. Court Cost Deposit. The Court requires payment of a court cost deposit for anticipated costs to be incurred by the Court in the legal proceeding. A schedule of the required security deposit amount for various filings is on the Court’s website. All security deposits shall be paid by means

of cash, money order, certified or bank cashier's check, credit or debit card, ordinary business check or personal check drawn on a bank in Geauga or adjacent counties. If the Filer is Indigent and prepares and files the Financial Disclosure form (ODP-206R) together with the pleading, then the Clerk will permit the filing without payment of the security deposit; provided however that if the Court disapproves that form, then the Filer must pay the security deposit no later than 30 Calendar Days after the court order of disapproval.

- B. Other Deposits. As noted below, the Court may require a party to pay a deposit to secure the payment of costs and fees incurred by a Parenting Coordinator, a Non-CASA GAL, or other Persons associated with a proceeding.
- C. Jury Deposit. Unless the Court orders otherwise in a particular case (e.g., if a party is Indigent), the party requesting a jury trial, if permitted by Applicable Law, shall pay a jury cost deposit simultaneously with filing the jury demand.
- D. Witness Fees. A witness shall request payment of a witness fee at or before the conclusion of the hearing or trial for which the subpoena was issued. If not timely requested, witness fees will be deemed waived. The party who subpoenaed or requested the appearance of a witness shall pay the appropriate fee to that witness.
- E. Dishonored Payment. If any payment is dishonored for insufficient funds or other deficiencies in the payment, the payor shall pay the full amount due in cash, plus reimburse the Court for bank charges it incurs, no later than three Court Days after notice from the Court of nonpayment. If not paid within that time, the Court may strike the filing from the record or take other action as the Court deems appropriate.

Geauga Juvenile Local Rule 6. Court Security Plans.

- A. Security Plan. The Court has adopted and implemented a Court Security Policies and Procedures Manual. That plan complies with the requirements of Sup. R. 9 and is confidential.
- B. Compliance. All Persons entering the Court's facility (including the Court's facility rear parking lot) for any reason are subject to that security plan, including the security screening procedures upon entering the Court's facility.

Geauga Juvenile Local Rule 7. Conduct in Court. All Persons present in the Court's facility shall conduct themselves in a respectful, dignified manner at all times. Any conduct that interferes or tends to interfere with the proper administration of the Court's business is prohibited.

- A. Dress Code. All persons having business with the Court (including witnesses) shall dress appropriately for the importance of the occasion. Attorneys shall dress professionally. The Court may order those not appropriately dressed to leave the Court's facility until they are appropriately dressed.
- B. Treatment of Others. Before, during, and after any formal or informal proceeding, all persons shall communicate with each other in the Court's facility, in a respectful and dignified manner. At all times, Attorneys shall abide by Rules 3.1 through 3.6 of the Ohio Rules of Professional Conduct.
- C. Proper Decorum. No person may engage in any conduct that is distracting or disruptive to the Court's business. Spectators and non-participants in court proceedings shall sit in the designated area in the rear of the courtroom and conduct themselves in a manner that is not

disruptive to the proceedings. Except as otherwise permitted by the Court, only parties and Attorneys are permitted in the seating in front of the Judge or magistrate. All mobile phones, pagers, tablets, computers, and other electronic devices shall be turned off, and cellphones shall be placed in the designated holders in the rear of the courtroom, while in the courtroom, except as the Judge, magistrate, or staff member otherwise permits. No person may bring any weapons (except for Law Enforcement Officers or authorized court staff), alcoholic beverages, or illegal substances into the Court's facility, and no person may smoke, vape, use electronic cigarettes, drink alcoholic beverages, or partake in the use of illegal substances while in the Court's facility. In a courtroom, no person may (a) phone, text, email, or otherwise engage in activities not directly related to the purpose at hand during any formal or informal proceedings or conference, (b) chew gum, or (c) bring any food or drink into a courtroom, except as the Judge or magistrate otherwise permits. The Court may ask or order any Person who violates this GJL Rule 7(C) to leave the courtroom or the Court's facility.

- D. No Recording Devices. No person may record any proceeding, formal or informal, in the Court's facility, including a courtroom, using a mobile phone, pager, tablet, voice recorder, video camera, or other recording device, except as the Judge or magistrate otherwise permits via prior written consent or court order.

Geauga Juvenile Local Rule 8. Pleadings.

- A. Form of Pleading. All complaints, motions, and other filings shall conform to the relevant provisions of the Ohio Rules of Civil Procedure and the Ohio Rules of Juvenile Procedure. Additionally, a pleading filed in the Court will include the court assigned identification number below the case number. A Complaint and a motion filed in the original proceeding that invokes the continuing jurisdiction of the Court in accordance with Juv. R. 35, which require service of process by the Clerk, must be accompanied by instructions for service, using form "GC JF 7.0 - Instructions for Service."
- B. Identity of Necessary Parties. Excluding a complaint regarding an Unruly Child or Delinquent Child, the Filer of a Complaint or a motion filed in the original proceeding that invokes the continuing jurisdiction of the Court in accordance with Juv. R. 35 shall prepare and file with the Court, together with the pleading, form "GC JF 5.1 – Identity of Necessary Parties;" provided, however, that no Child shall be identified in that form.

Excluding a complaint regarding an Unruly Child or Delinquent Child, in all juvenile matters, including private custody, child support, and abuse, neglect, or dependency cases, when referring to a Child in any pleading or other filing, a party shall only use the Child's initials, and shall not include any other information that may identify a Child (e.g., address, date of birth, social security number, etc.). Excluding a complaint regarding an Unruly Child or Delinquent Child, together with the initial pleading (i.e., complaint) or any subsequent pleading that adds a Child as a party, the Filer shall prepare and file separately with the Court form "GC JF 5.0 - Disclosure of Child Confidential Information," which is located on the Court's website or may be obtained from the Clerk. The Clerk may not accept a pleading or other filing that does not comply with this sub-paragraph (C).
- D. Facsimile Filing. As permitted by Juv. R. 8, the Court adopts this GJL Rule 8(D). Excluding an initial pleading (e.g., a complaint, petition, or a motion that invokes the continuing jurisdiction of the Court), an Attorney may file any other motion, request, or other document by facsimile filing using the Court's facsimile number set forth on the Court's website. The following rules apply:

 - ii. "facsimile machine" means a machine that can send and receive a facsimile transmission.
 - iii. "fax" is a document filed by facsimile transmission.
 2. Any signature on a fax shall be considered that of the attorney or party it purports to be for all purposes. If it is established that the documents were transmitted without authority, then the Court shall order the filing stricken.
 3. Any fax accepted by the Clerk will be considered filed with the Clerk as of the date and time the Clerk time-stamps the fax received, as opposed to the date and time imprinted by the facsimile machine. While the Court's facsimile machine is available for transmission 24 hours a day, 7 days a week, a fax will only be time-stamped during court hours as defined in GJL Rule 4.
 4. Any fax received after court hours shall be deemed filed the following Court Day.
 5. Any fax that requires a filing fee may be rejected by the Clerk unless the Filer has complied with the mechanism established by the Court for the payment of filing fees.
 6. The Filer submitting a fax shall file the original pleading with the Court in person, by mail, or commercial carrier, within three Calendar Days after the facsimile transmission. The failure of the transmitting party to do so will result in the facsimile being stricken from the record.
 7. The Filer submitting a fax bears all risks of facsimile transmission.
 8. All faxes shall be accompanied by a cover page that states all of the following information: (i) the date of facsimile transmission; (ii) the name, telephone number, and facsimile number of the person transmitting the fax; (iii) the case number, I.D. number and caption of the case in which the fax is to be filed; (iv) the title of the fax to be filed; and (v) the number of pages being transmitted.
 9. A fax may not exceed 10 pages excluding the cover page.
- E. Compliance with Juv. R. 19. All pleadings shall comply with Juv. R. 19, including that a complaint or motion shall be supported by a memorandum containing citations of authority and may be supported by an affidavit. Failure to comply with this GJL Rule 8(E) may result in rejection of the pleading for filing or dismissal by the Court.
- F. Indian Child Welfare Act Compliance. Any public children services agency or private child placing agency filing a pleading to initiate a "child-custody proceeding," as defined in OAC 5101:2-53-01(C)(1)(b), (c), or (d), which could result in a termination of parental rights or placement of an Indian Child in a foster home, shall prepare and file with the initial pleading form "GC JF 9.0 - ICWA Affidavit;" provided however, that if the initial pleading is an emergency filing, then the Filer shall prepare and file form "GC JF 9.0 - ICWA Affidavit," no later than five Calendar Days after the initial filing.

Geauga Juvenile Local Rule 9. Jurisdiction and Venue.

- A. Jurisdiction. The initial pleading (e.g., complaint, petition, etc.) regarding child custody, parenting time, companionship time, or child support shall contain factual allegations, which establish that an Ohio Juvenile Court has jurisdiction over the matters alleged in that initial pleading, including the statutes that provide jurisdiction (e.g., R.C. §2151.23(A)(1) and R.C. §2151.23(A)(2), R.C. §2151.23(A)(11), R.C. §§2151.23(F)(1) and 2151.23(F)(2)), and including R.C. 1. Complaint Filing by Geauga County Prosecutor's Office. A complaint filed by the Geauga County Prosecutor's Office concerning a Delinquent Child or Unruly Child shall be filed with the Director of Probation (and not the Clerk's office) to permit a diversion screening, together with (i) a completed Geauga County Juvenile Fact Sheet (i.e., the "green sheet"); and (ii) the police report. Such complaints filed without the "green sheet and police report shall be returned to the Filer.
2. Complaint Filing by any other Filer. Additionally, promptly upon request of the Director of Probation, the Filer shall prepare and file a statement of facts and any other documents requested by the Director of Probation. Such complaints filed without that information or documents shall be returned to the Filer.
3. Denial of Allegations. If the Child denies the allegations in such complaint, then no attorney of the Geauga County Prosecutor's Office may assist the Court in presenting evidence, or otherwise participating in the legal proceeding, unless the Court directs the Geauga County Prosecutor's Office to do so by court order pursuant to Juv. R. 29(E)(1) rather than directing another attorney to do so.

B. Driving Privileges, License Reinstatement.

1. Petition for Driving Privileges. If a Juvenile Traffic Offender requires driving privileges that are not included in the court order, then the Juvenile Traffic Offender may petition the Court for driving privileges by preparing and filing form "GC JF 9.6 - Petition for Driving Privileges," and shall prepare and attach to that petition form "GC JF 9.8 - Proof of Insurance." Those forms are located on the Court's website or may be obtained from the Clerk.

- B. Contents of Motion. A motion for a continuance shall contain (i) a clear and concise statement establishing Reasonable Cause as to why additional time is needed and how much additional time is requested, (ii) the date the movant became aware of the Reasonable Cause, and (iii) a representation that the movant has communicated with all Attorneys, GALs, and pro se parties, and as to each of them whether they consent to the continuance and shall be accompanied by a Proof of Service.
- C. Timing. A motion for a continuance of a hearing or trial, or motions for extension of time to file, shall be filed no less than three Court Days before the filing date to allow the Court adequate time to consider and rule on that motion. A motion that is not timely filed shall contain a statement informing the Court as to why that motion was not timely filed. The Court may not grant a motion for extension that is not timely filed. For good cause, the Court may grant a motion for extension even if that motion is filed within three Court Days before the filing date.

Geauga Juvenile Local Rule 23. Parenting Time. The Court has posted on its website two Standard Parenting Time Schedules, depending upon whether the non-residential parent resides in Ohio or outside of Ohio. While the Court will consider all factors to be considered by Applicable Law when issuing a parenting time order, the Court will consider ordering the appropriate schedule unless (i) there is good cause to deviate from the standard schedule, or (ii) the parents agree to an alternative schedule that is acceptable to the Court.

Geauga Juvenile Local Rule 24. Magistrate.

- A. Grant of Authority. Pursuant to Juv. R. 40, Civ. R. 53, Crim. R. 19, and R.C. §2151.16, the magistrate is empowered and authorized to conduct hearings, make orders, and render decisions in any case assigned to the magistrate to the fullest extent permitted by Applicable Law.
- B. Objection to Magistrate's Order or Decision.
 - 1. To file an objection to a magistrate's order or decision, a party shall file objections to a magistrate's order or decision in the manner set forth in Civ. R. 53 and in these GJL Rules.
 - 2. The objection shall be accompanied by a supporting memorandum, clearly and specifically stating the grounds for the objection. The Court may dismiss a broad objection that lacks the required specificity.
 - 3. If a transcript is necessary to support the objections, then the objecting party shall have the written transcript prepared in accordance with GJL Rule 16(B), unless the Court orders otherwise. The transcript shall be filed with the Court no later than 30 Calendar Days after filing the objections unless the Court grants an extension. Failure to file the transcript within the required time is grounds for dismissal of the objections.
 - 4. The objecting party has 10 Calendar Days after the date of filing the transcript in which to supplement its objections with additional information or citations to the transcript. The opposing party will have 10 Calendar Days after the objecting party files its objections to file a memorandum in opposition to the objections.

5. The Court will only hold a hearing on the objections if a party specifically requests a hearing in its objection or in its filing of an opposition to the objections. The Court may set the matter for hearing on its own motion even if not requested by any party. Unless the Court is required by Applicable Law to provide the notice, the proponent of the hearing shall provide written notice of hearing to all parties or their Attorneys, and provide the Court with Proof of Service.

Geauga Juvenile Local Rule 25. Mediation.

- A. General Provisions. The Court adopts these mediation rules for alternative dispute resolution of contested matters in the Court.
 1. Uniform Mediation Act. The Court implements the Uniform Mediation Act, R.C. Chapter 2710 ("UMA"). If there are any inconsistencies between these GJL Rules and the UMA, then the UMA controls the resolution of the issue.
 2. Statement of Purpose. The purpose of mediation is to promote greater efficiency and public satisfaction through the facilitation of the earliest possible resolution of disputed cases in the Court by the use of mediation. The Court has established this mediation process to increase access to justice, to increase the parties' participation in the court process and their satisfaction with the outcome, to allow cases to settle more quickly and with less expense to the parties, and to expand the dispute resolution resources available to the parties.
 3. Definitions. All defined terms in the UMA have the same meaning for purposes of this GJL Rule 25.
 4. Domestic Violence. All parties and their Attorneys shall promptly inform the Court of any acts or threats of Domestic Abuse or Domestic Violence known to them that exist or to have existed in the past, or which become known to them following entry of the order of referral to mediation, but before conclusion of all mediation proceedings, which allegations involve any persons whose attendance is required by the referral order.
- B. Confidentiality and Privilege. All mediation communications related to or made during the mediation process are governed by the UMA, the Ohio Rules of Evidence, and other Applicable Law.
 1. General Provision. Except as the Court otherwise orders in a particular case or as otherwise provided by Applicable Law, all communications, negotiations, or settlement discussions between participants in the course of a mediation are not subject to discovery, are not admissible in evidence, shall remain confidential, and are protected from disclosure.
 2. Mediator May Not Testify. The mediator is prohibited from being called as a witness in any subsequent legal proceeding, unless (i) the parties otherwise agree under the terms of a mediation agreement, or (ii) the Court orders otherwise.
- C. Initiation of Mediation. This GJL Rule 25(C) governs the initiation of mediation and the selection of a mediator.
 1. Mediation Referral. In accordance with GJL Rule 18(A), the Court may refer a case to mediation by court order at any time, including by reason of the motion of any party or the agreement of the parties. No later than 30 Calendar Days after the date of that order, the

mediator shall schedule and provide notice to the parties or their Attorneys of a mediation session, which shall indicate, at a minimum, the date, time, place, and contact information for the mediation.

2. Eligibility of Cases. The Court will determine the eligibility and appropriateness of each referral before the commencement of the mediation process and may decline any referrals the Court deems inappropriate. The following cases are likely not to be referred to mediation:
 - i. cases in which one party has been convicted of, or pled guilty to, a violation of R.C. 2919.25 (Domestic Violence) within the past two years or when a civil protection order is in effect;
 - ii. cases in which the physical distance between the parties is so great that it is not feasible for them to participate in mediation sessions, provided, however, that the Court may order mediation using a telephone or by other electronic means such as the Court's Webex system, Zoom (or similar electronic conferencing);
 - iii. in emergency circumstances requiring an immediate hearing by the Judge or magistrate;
 - iv. cases in which the parties have achieved an executed agreed judgement entry; or
 - v. any cases that a Court Mediator deems necessary to terminate.
- D. Selection and Assignment of Mediator. The following methods may be used to determine the mediator for the case:
 1. Court Appointment. The Court may appointment a mediator, taking into consideration the qualifications, skills, expertise, and caseload of the mediator, in addition to the type, complexity, and requirements of the case.
 2. Selection by Parties. If the Court refers the dispute to mediation, then the parties may select a mediator, but subject to Court approval.
 3. Resource Center. The Court may refer the matter to the Resource Center without selecting a particular mediator.
- E. Mediator Conflict of Interest. In accordance with R.C. §2710.08, the mediator shall disclose in writing, to the parties or their Attorneys, any known possible conflicts that may affect the mediator's impartiality as soon as such conflicts become known to the mediator. If any Attorney or a mediation party requests that the assigned mediator withdraw because of the facts so disclosed, then the assigned mediator shall withdraw and request that the Court appoint another mediator (i) from the Court's list of qualified mediators or (ii) by referral to the Resource Center. The parties are free to retain the mediator by an informed, written waiver of the conflict of interests.
- F. Mediation Process. This GJL Rule 25(F) governs the process for all mediations. The mediator may have additional procedural policies that the parties shall follow.
 1. Mediation Procedure. A mediator may meet with the parties individually before bringing the parties together for any reason, including without limitation further screening. A mediator may schedule multiple mediation sessions, if necessary for the resolution of the issues in

part or in their entirety. The Court will utilize procedures for all cases to accomplish all of the following:

- i. Participation. The procedures will ensure that all parties are allowed to participate in mediation, and if the parties wish, that their Attorney and other persons they designate are allowed to accompany them and participate in mediation.
 - ii. Domestic Abuse or Domestic Violence. The procedures will provide for screening for potential Domestic Abuse or Domestic Violence both before and during mediation.
 - iii. Referrals. The procedures will enable appropriate referrals, if necessary, to attorneys and other support services for all parties, including Victims and suspected Victims of Domestic Abuse or Domestic Violence.
 - iv. Prohibited Uses. The procedures will prohibit the use of mediation in any of the following circumstances: (i) as an alternative to the prosecution or adjudication of Domestic Violence; (ii) in determining whether to grant, modify, or terminate a protection order; (iii) in determining the terms and conditions of a protection order; and (iv) in determining the penalty for violation of a protection order.
2. Mediation Case Summary. If requested by the mediator, then no less than five Court Days before the mediation, the parties shall submit to the mediator a short memorandum stating the legal and factual positions of each party, as well as other material information each party believes would be beneficial to the mediator, which may include: (i) a summary of material facts; (ii) a summary of legal issues; (iii) the status of discovery; (iv) a summary of all claims and requests; and (v) settlement attempts to date, including demands and offers.
3. Party and Non-Party Participation. The following requirements apply to participation in the mediation by parties and non-parties.
- i. Mandatory Participation. Parties who are ordered into mediation shall attend scheduled mediation sessions. If the parties or their Attorneys, when requested by the mediator, do not attend the mediation sessions, then the mediator shall report the non-compliance to the Court.
 - ii. Attorneys. As per R.C. §2710.09, an Attorney or other individual designated by a party may accompany the party to and participate in a mediation; provide that the other individual complies with sub-paragraph (v) below. A waiver of participation given before the mediation may be rescinded.
 - iii. Necessary Party. If a party's Attorney becomes aware of the identity of a Person whose consent is required to resolve the dispute, but that Person has not yet been joined as a party in the pleadings, then that Attorney shall promptly inform the mediator and the Court in writing.
 - iv. Disclosure of Relationship. If the opposing parties: (i) are related by blood, adoption, or marriage; (ii) have resided in a common residence; or (iii) have known or alleged Domestic Abuse or Domestic Violence at any time regarding a party, family or household member before or during the mediation, then those parties and their Attorneys shall disclose that information to the mediator and shall participate in any screening the Court requires.

- v. Non-Parties. By participating in mediation, a non-party participant, as defined by R.C. §2710.01(D), agrees to be bound by this GJL Rule 25 and submits to the Court's jurisdiction to the extent necessary for enforcement of this GJL Rule 25. Any non-party participant has the rights and duties under this GJL Rule 25 attributed to parties, except as provided by R.C. §2710.03(B)(3) and §2710.04(A)(2).
 4. Inform the GAL and Parenting Coordinator. When the mediation process is commenced, whether by court referral or voluntary, the mediator shall promptly notify the GAL and Parenting Coordinator.
 5. Court Orders. All court orders will continue in effect during the mediation process and are not stayed or suspended unless the Court orders otherwise.
 6. Continuances. The Court's policy is to resolve matters as expeditiously as possible. The Court will only grant continuances of scheduled mediations for Reasonable Cause shown after the parties and mediator have determined an acceptable date. Only the Court may grant a continuance. Generally, the existence of pending motions is not Reasonable Cause for a continuance.
 7. Termination. If the mediator determines that further mediation efforts could be unsafe or otherwise may not benefit the parties, then the mediator shall inform all parties, any GAL or Parent Coordinator, and the Court in writing. The Court may terminate mediation at any time by court order. In all events, following termination, the Court may again refer the case to mediation.
 8. Withdrawal. A mediator may withdraw as such at any time subject to court approval; provided that the mediator delivers to the Court a written withdrawal notice setting forth the reasons for withdrawal and the effective date of withdrawal. Upon receipt of court approval, the mediator shall inform all parties and their Attorneys, the GAL, and the Parenting Coordinator, in writing, and provide the Court with Proof of Service.
- G. Results of Mediation. This GJL Rule 25(G) provides requirements applicable upon the conclusion of mediation.
1. Mediation Agreement. If the parties reach an agreement, then the mediator, the parties, or their Attorneys, if applicable, promptly (i) shall prepare a written agreement memorializing that agreement, which mediation agreement must be signed by the parties and Attorneys, and (ii) notify the GAL and the Parenting Coordinator. The mediation agreement may become a court order after review and approval by the Court. The Court will not consider an oral agreement by the Attorneys, or with parties or an officer of the Court, unless made in open court.
 2. Mediator's Report. At the conclusion of mediation, and in compliance with R.C. §2710.06, the mediator shall inform the Court of the status of the mediation. The mediator's report shall include all of the following: (i) whether the mediation occurred or was terminated; (ii) whether the parties reached a settlement on some, all, or none of the issues; (iii) attendance of the parties; (iv) whether future mediation sessions are scheduled, including the date and time; and (v) any other information the Court requests or the mediator deems important.
 3. Failure to Participate. If any Person fails to participate in or to attend mediation without Reasonable Cause, after being ordered to do so by the Court, then the Court may impose

sanctions against the offending Person, which may include without limitation the award of attorney's fees and other costs, contempt, or other appropriate sanctions.

H. Mediation Costs.

1. Resource Center. If the parties mediate using the Court's Resource Center, then there is no charge to the parties for such mediation services, but the Judge or magistrate may assess other court costs or sanctions for the failure of a party to appear for a scheduled mediation conference.
2. Other Mediators. If the parties mediate without using the Court's Resource Center, then the Court will assess the direct costs of that mediation. The Court may order the parties to deposit funds with the Clerk to cover those direct mediation costs. Moreover, the Judge or magistrate may assess other costs or sanctions for the failure of a party to appear for a scheduled mediation conference.

I. Mediator Evaluations. A mediator shall provide the parties with form "GC JF 6.5 - Mediator Evaluation," at the first contact with a party and at the end of the mediation process. The evaluation form may be completed by the parties and submitted to the Clerk at the end of the mediation process.

J. Complaint of Mediator.

1. A party to a case may file a complaint regarding misconduct of the mediator no later than three months after the termination of the mediation.
2. The complaining party shall file the complaint with the Clerk using form "GC JF 6.1 - Complaint-Mediator."
3. The Clerk shall provide a copy of the complaint to the mediator.
4. The mediator may respond in writing to the Judge no later than 14 Calendar Days after the date of receipt of the complaint.
5. The Court designee shall investigate the allegations and shall issue a response.
6. The Court will consider the complaint and take appropriate action.
7. The Clerk will give written notice to the Person making the complaint and to the mediator of the Court's disposition of that complaint.
8. The Clerk will maintain a record of the nature and disposition of the complaint.

K. Voluntary Mediation. Persons may voluntarily seek mediation of disputes regarding or related to child custody, parenting, and companionship time, at the Court's Resource Center without a Court referral in a pending case or without filing any pleading with the Court. The rules set forth above in this GJL Rule 25 are not applicable except as set forth below:

1. Disclosure of Abuse, Neglect, and Harm. A mediator shall inform the parties that the mediator shall report any suspected child abuse or neglect and any apparent serious risk of harm to a party, a family or household member, or a third party to child protective

services, law enforcement, or other appropriate authority to the extent required by Applicable Law (e.g., R.C. §2151.421).

2. Use of Electronic Means. The mediator may require that mediation occur by telephone or by other electronic means such as the Court's Webex system, Zoom (or similar electronic conferencing).
3. Confidentiality and Privilege. GJL Rule 25(B) is applicable.
4. Conflict of Interest. GJL Rule 25(E) is applicable.

6. Mediator Evaluation. GJL Rule 25(I) is applicable.
7. Complaint of Mediator. GJL Rule 25(J) is applicable.
8. Inform the Court. If a case is pending, and if any one or more of the persons seeking voluntary mediation are parties to a case pending before the Court, then the mediator shall promptly notify the Court (i) if the mediator decides to engage in voluntary mediation, and (ii) when the mediation is concluded or terminated.

- E. All parties are entitled to be heard at any proceeding on the issue of whether physical restraints are necessary for the Child at that proceeding.
