

RESOURCE CENTER SUMMARY OF LEGAL FORM PACKETS

Below is a listing of legal forms that are available to a pro se litigant. No court employee, including staff members of the Clerk’s office, Resource Center, or Help Center, can suggest the use of a particular legal form. You must decide the legal form that you want to prepare and file with the Clerk’s office. If you require legal advice to decide what legal forms to use, then you must hire an attorney of your choice. Please indicate the packet that you would like by checking the box of your choice.

NOTE: that a complaint packet is appropriate if there is no legal proceeding in this court regarding the child(ren), and a motion packet is appropriate if there is legal proceeding in this court regarding the child(ren), regardless of when the legal proceeding was commenced. These forms are not appropriate if there is a legal proceeding in another state regarding the child(ren). In that case you should contact the Help Center for an appointment – 440-279-1834
