

**IN THE CHARDON MUNICIPAL COURT
CHARDON, OHIO**

State of Ohio

Case No. _____

vs.

**DEFENDANT'S REQUEST TO ENTER
FIRST OFFENDER PROGRAM (FOP)**

I have been advised that I qualify for the First Offender Program (FOP).

I request entry into FOP under the terms and conditions contained in the "First Offender Program (FOP) Summary" provided to me.

I know that I must complete the requirements listed in the "Plea Recommendation and Referral to First Offender Program (FOP)" by the deadline, a copy of which has been given to me.

I agree to pay the FOP program fee of \$150 for supervision services before I am accepted into FOP.

I have or will waive in writing my constitutional, statutory and procedural rights to a speedy trial and agree while in FOP to the tolling of all periods of limitation established by the Ohio Revised Code or applicable rules of court.

I understand that I will return for sentencing by the Chardon Municipal Court for the offenses to which I have or will plead guilty.

If I successfully complete the FOP requirements before the sentencing date, the Police Prosecutor will recommend that the charge(s) against me be dismissed on the sentencing date, and **I will pay the court costs**. If I do not successfully complete the FOP requirements on or before the sentencing date, the Court will impose sentence on the charge(s) to which I have or will plead guilty.
